

# SpO<sub>2</sub> Sensors and Adapter Cables

## Features

- *Performance equivalent to OEMs*
- *Quality approved with CE Certificated and FDA 510K*
- *Available in patient sizes from neonate to adult*
- *Sensors types: finger clip, soft tip, multi-site and neonate wrap*
- *Accurate readings and improved patient comfort*
- *12 months Warranty*

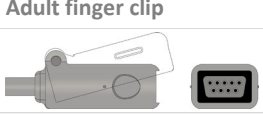

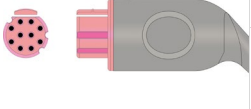

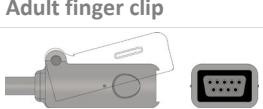

**Wide selection of SpO<sub>2</sub> Cables compatible with the following brands and their technologies**

- |                              |                  |
